

KIB 508 - God's Pruning Shears Are Out — Preparing the Remnant for Kingdom Realignment

Kingdom Intelligence Briefing | 12/02/2025

Show Notes:

→ I will be uploading the series Holy Fire – Strange Fire in MP3 format to both our LibSyn feed and the KIB site, along with the study guide in PDF.

A Season of Sorting, Promoting, Pruning, and Rejecting (Revealing What is Not of Him)

Introduction

This past Sabbath, God began to speak this prophetic word to me regarding changes in the Remnant. Since then, this has been confirmed by other prophetic voices, colleagues in ministry, and sons in the faith. These changes are necessary for the Remnant to be ready for the challenges that we will face in 2026 and beyond.

Foundational Scripture:

John 15:1–2 (ESV)

1 "I am the true vine, and my Father is the vinedresser. 2 Every branch in me that does not bear fruit he takes away, and every branch that does bear fruit he prunes, that it may bear more fruit."

1. We are starting a season in which God is going to be reviewing all those things in the earth that claim to be a part of the Kingdom.

God will make clear those who are faithfully following Him from those who use His Kingdom as a platform to build one of their own.

2. Those who have been faithful to biblical principles and resisted the glimmering promises of wealth from Babylon will be promoted.

In the Kingdom, there is a way for ministry to build that brings life and greater levels of anointing.

There is a way in Babylon to build a ministry that can bring great riches, but that will cause the minister and those who flow to their ministries to lose parts of their souls! They will think they are moving forward, but in reality, they are losing spiritual ground to the enemy.

3. The tree growing through the bush illustration.

The tree is building ministries for self-promotion, enrichment, and empowerment. The bush is the faithful ministries. The tree overshadowing and stealing the "sunshine" from God's true works.

- For the sake of God's kingdom, the Lord must cut down the tree, so that the planting of the LORD may thrive.

4. God will also prune His faithful. This is not punitive pruning, but the removal of things that are holding them back and the preparation for the promotion.

- Paradigms will change
- Priorities will change
- Fruitless programs and projects will be rejected to make room for the new directions given by the Holy Spirit.
- There may be a shuffling of key members of their ministries as God prepares the way for their next steps. For every individual who is removed, God will add a faithful Timothy to the ministry.
