# Finding Truth in a World of Deception | KIB 558

Kingdom Intelligence Briefing

## Introduction

**2 Corinthians 4:2–4 (ESV)**
2 But we have renounced disgraceful, underhanded ways. We refuse to practice cunning or to tamper with God's word, but by the open statement of the truth we would commend ourselves to everyone's conscience in the sight of God. 3 And even if our gospel is veiled, it is veiled to those who are perishing. 4 **In their case the god of this world has blinded the minds** of the

> unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God.

Satan is in the business of keeping minds from the truth. His minions (priesthood of darkness) are engaged at every level of society to blind the masses to any truth that would impede their hidden agendas.

> **John 8:43-44 (ESV)**
> 43 Why do you not understand what I say? It is because you cannot bear to hear my word. 44 You are of your father the devil, and your will is to do your father's desires. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he lies, he speaks out of his own character, for he is a liar and the father of lies.

It is the nature of Satan to lie, and it is the currency of his kingdom.

> Truth is treason in a kingdom of lies.

## 1. The Tacit Agenda of Social Media

Over the past decade, I have had the privilege of sharing with many veterans and former intelligence community members at conferences where I have spoken. Without sharing classified information (at least to my knowledge), I discovered several things:

Some of social media was originally funded by sectors within the intelligence community. What was the purpose? There were several.

- How do you get ordinary people to share personal information when laws prohibit you from invading their privacy to obtain it? Answer: You set up a platform where they will freely share that information in a public forum you can harvest.

- How do you build psychological profiles of individuals on a massive scale without violating privacy laws? Answer: You set up a public platform that lets them express their likes and dislikes and freely share their opinions. Over time, you can build complete psychological profiles.

- How do you manipulate the masses with targeted propaganda that will alter their perception of reality? Answer: Use the psychological profiles you have built to create artificial social media posts that highlight your propaganda, and use AI chatbots and an army of hired posters to make it go viral. Create the illusion that this information comes from the grassroots of society, not the backrooms of intelligence agencies or foreign players seeking to establish false narratives.

Most of the population has caught on to the major news networks' control. The Internet became the primary source of information. **The Internet has transitioned from the information superhighway to the sewer system of Mystery Babylon**! The Remnant needs to develop discernment and recognize where they get their information: either from the Word of God or from the sewer system of Babylon!!

- In the midterm election, Van Jones shared how they used social media to create a false narrative about the economy.

- Antisemitism is being fueled by a false narrative that has been linked back to the Muslim Brotherhood.

- False teachers and false prophets dominate social media. Tickling itching ears is big business.

- PsyOps continue on social media to see how far boundaries can be pushed. Young people have died over some of the viral challenges that dominate certain sections of social media.

## 2. How Do We Move Beyond the Psychology Profile We Have Allowed Them to Build?

### a. The Sanctifying Power of the Holy Spirit

**Romans 12:2 (ESV)**
2 Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.

**Galatians 5:24–25 (ESV)**
24 And those who belong to Christ Jesus have crucified the flesh with its passions and desires. 25 If we live by the Spirit, let us also keep in step with the Spirit.

The carnal soul can easily be profiled and manipulated. A renewed soul that has crucified the flesh and is following the Spirit of God is a nightmare for both hell and those that would seek to manipulate them.

### b. You Have Got to Walk in Forgiveness

According to Jesus, forgiveness is a foundational issue to a successful prayer life.

> **Matthew 6:12-13 (ESV)**
> 12 and forgive us our debts, as we also have forgiven
> our debtors. 13 And lead us not into temptation, but
> deliver us from evil.

Several things to note:

- Forgiveness comes first. Otherwise, our unforgiveness will resonate with error.

- For verse 13, a better translation is: Do not let us be led into temptation, but deliver us from evil.

### c. A Free and Renewed Soul Can Be Led by the Holy Spirit

> **1 John 2:20-23 (ESV)**
> 20 But you have been anointed by the Holy One, and you
> all have knowledge. 21 I write to you, not because you
> do not know the truth, but because you know it, and
> because no lie is of the truth. 22 Who is the liar but he

> who denies that Jesus is the Christ? This is the antichrist, he who denies the Father and the Son. 23 No one who denies the Son has the Father. Whoever confesses the Son has the Father also.

A mature believer has an anointing from the Holy Spirit to ferret out truth!

**d. Steps We Can Take**

The believer should develop spiritual discernment through an ongoing relationship with the Holy Spirit.

This includes:

- Daily engagement with Scripture.
- Consistent prayer and fellowship with God.
- Submission to the lordship of Jesus Christ.
- Repentance and sensitivity to the Spirit's conviction.
- Development of the fruit of the Spirit.
- Testing prophetic words and supernatural manifestations.
- Remaining accountable within the Body of Christ.
- Refusing teachings that contradict Scripture.
- Exercising spiritual gifts with humility and biblical order.
- Growing in maturity through obedience to God's Word.

Hebrews 5:14 emphasizes that mature believers develop discernment through consistent practice.
